

### **VTA Offers No-Cost, Value-Added Health Care Benefits for Members' Employees in 2014**

The Virginia Trucking Association continually seeks out programs to provide value-added benefits and services to our members. We are proud to announce that Asset Protection Group, Inc. (**AP Group**) is the VTA's newest endorsed partner. AP Group offers our members a variety of employee benefits and specializes in group health insurance. AP Group is an independent insurance agency, located in Richmond that has a long history of providing group health insurance to small and large businesses, as well as trade associations.

AP Group will also assist the VTA with our Anthem Value-Added Benefits program. For a number of years, the VTA has maintained a partnership with Anthem BC&BS that provides employees of VTA member companies with extra value-added benefits, including life & AD&D insurance, support resources and travel assistance, at no cost to you. If you currently have less than 100 employees and have an Anthem health insurance policy you may be eligible to receive these free benefits for your employees. AP Group can help you determine if your company is currently receiving these free, value-added benefits and, if not, how you can sign up. Contact the AP Group at 1-800-644-9840 and ask to speak with Monty Dise and his staff or email him at [mdise@apgroupinc.com](mailto:mdise@apgroupinc.com).

We also ask that you consider utilizing AP Group for your employee benefit and health insurance needs. AP Group offers group benefits through many carriers such as Anthem BC&BS, Aetna, CareFirst BC&BS, Coventry/Southern Health, OPTIMA, and United Healthcare. AP Group's president Monty Dise spoke to our membership this past summer about health care reform. His expertise in the health insurance field was recognized through his appointments to serve on Governor Kaine's Access to Healthcare Committee and Governor McDonnell's Virginia Health Reform Initiative Advisory Council (VHRI).

Business generated through the VTA's partnership with the AP Group produces non-dues revenue for the Association. We hope you will support this partnership by contacting Monty Dise at 1-800-644-9840 or [mdise@apgroupinc.com](mailto:mdise@apgroupinc.com). Please contact Dale Bennett of the VTA if you have any questions or want more information about this partnership.
